

# OIL PAINTERS OF AMERICA

2021 NATIONAL SALON SHOW | JUNE 10 THROUGH AUGUST 7

AT THE QUINLAN VISUAL ARTS CENTER

## CHUCK WEBER

Chuck is a full time fine artist, enjoying his "encore" career in the beautiful Kettle Moraine lake country of Waukesha County. He received degrees in Marketing and Art from St. Norbert College, and an MBA from UW-Madison and Marquette University. Following a 25 year career in advertising as founder of Milwaukee-based Weber-Leicht-Gohr, in 2001 Chuck sold the firm to pursue an encore career in art.

While his passion is oil portraits, he also enjoys painting figurative and plein air works. As a colorist his impressionist style translates into high energy works featuring sun-lit subjects saturated with color. His oil portraits and figurative are most often narrative, in "freeze-frame" candid, skewed and cropped, in blurred colors and dynamic poses that capture a "moment in time". In Chuck's Workshop he will share his approach to exploring color in a Fauve-expressionist approach to Value, Tone, Saturation and Contrast; through Oil sketches that are loose, light and filled with color energy.

**Chuck is a two time recipient of First Place in the Richeson75 International Portrait Competition, Grand Prize recipient of the International Artist Challenge Competition. He is a 3-time Finalist in the American Impressionist Society National Exhibit, a 2-Time Finalist in the Oil Painters of America National Exhibit, and a 2-Time Finalist in NOAPS "Best Of America" Competition.**

In addition to Oil Painters of America, Chuck is also a member of The American Impressionist Society, the National Oil and Acrylic Painters Society, the Portrait Society of America, the Rogues Artist Group, Wisconsin Visual Artists, the League of Milwaukee Artists and Waukesha West End Artists.
